In May 1953 the Chinese Communist 106 and 108 Divisions, 36 Army, were ordered transferred from North China to southern Yunnan to participate in defense construction in that area. The Central Supply and Service Command assigned 200 trucks and jeeps to move these divisions.<sup>1</sup> The divisions also received 10,000 raincoats.

1. Comment. Presumably these vehicles were in addition to others already possessed by these units, since 200 trucks and jeeps would be inadequate to move two divisions on a haul of this length.
